### Primary Benefits

- Specifically designed for individuals with sensitive stomachs.
- Combines the unique digestive benefits of calcium carbonate along with pure essential oils from plants traditionally known for providing soothing support to the gastrointestinal tract, including Ginger, Peppermint, Caraway, Coriander, and Anise.\*
- A unique and powerful synergistic blend of natural ingredients designed to relieve occasional heartburn and indigestion, while promoting the overall health of the gastrointestinal tract.\*
- Use with or between meals as

---

### Description

DigestZen is one of doTERRA's most popular blends due to its ability to aid in digestion, soothe occasional stomach upset, and maintain overall digestive health.\* Now this incredibly effective blend is available in a convenient chewable tablet. DigestTab is a calcium carbonate tablet infused with DigestZen Digestive Blend to deliver the benefits of digestion—supportive essential oils as well as the acid—neutralizing benefits of calcium carbonate.\*

### Uses

needed, for relief from occasional stomach upset, indigestion, and heartburn.\*

- Helps relieve occasional sour stomach.\*
- Provides relief from the uncomfortable burning of occasional acid indigestion and helps reduce unwanted belching and bloating.\*

Chew one tablet as needed up to six times daily.

## Cautions

Keep out of reach of children. Do not use with other acid reducers. Ask a doctor or pharmacist before use if you are taking a prescription drug.
