- Natural xylitol sweetener tastes great while helping to keep the teeth and gums clean
- Hydrated silica is a natural

---

### Description

doTERRA's fluoride-free Natural Whitening Toothpaste combines the protective benefits of the proprietary doTERRA On Guard blend of CPTG Certified Pure Therapeutic Grade® essential oils with other natural ingredients that help clean teeth, reduce plaque, and whiten teeth with gentle polishing agents. The doTERRA On Guard blend of Wild Orange, Clove, Cinnamon, Eucalyptus, and Rosemary essential oils provides an extra cleaning boost. Additional essential oils of Peppermint and Wintergreen, and the natural sweetener xylitol, give doTERRA On Guard Natural Whitening Toothpaste a

abrasive that helps remove plaque and tooth stains, but is gentle enough to not damage tooth enamel

refreshingly unique cinnamon-mint flavor that leaves your breath—and toothbrush—fresh and clean throughout the day.

## Uses

After flossing, apply a pea-size amount of paste to moistened toothbrush. Brush gently but thoroughly, preferably after each meal and in the morning and at night, or use as directed by a dentist or physician. For improved results, follow with a mouthwash of one drop of doTERRA On Guard Protective Blend mixed in 8 oz. of water. Swish vigorously in mouth for one minute and rinse.
