- Proprietary blend of 10 active whole-food enzymes
- Contains the doTERRA tummy tamer blend of Peppermint, Ginger, and Caraway Seed
- Sodium lauryl sulfate-free HPMC vegetable capsules
- Safe and effective

Description

DigestZen TerraZyme Digestive Enzyme Complex is a proprietary blend of active whole-food enzymes and supporting cofactors that are often deficient in cooked, processed, and preservative-laden foods. The powerful combination of digestive enzymes found in DigestZen TerraZyme supports the body's constant production of enzymes critical for healthy biochemical functions, including healthy digestion of food nutrients and cellular metabolism of nutrients to energy.* DigestZen TerraZyme includes a variety of whole-food enzymes that help with the digestion of

proteins, fats, complex carbohydrates, sugars, and fiber.

Uses

Take one to three vegetable capsules with meals throughout the day. If your meal includes lots of fresh, raw foods, take one capsule. If your meal includes highly processed, cooked foods or food products known to cause specific GI discomfort, take two to three capsules with meal.

Cautions

Some people may experience an initial change to digestive schedule and function when they begin using enzyme supplements. For most people, these symptoms are mild and should disappear after a few days. Pregnant or nursing women and people with known medical conditions should consult a physician before using. Does not contain wheat or milk products. Does not contain ingredients made from animal products.
